NATIONAL FINAL	All 4 of the club finalists will receive an invitation to play in the Handiskins National Final (held each May) contesting the National Title and over \$10,000 in prizes and giveaways*	

Every entry fee contributes a \$4 donation to Leuk the Duck - Supporting kids with cancer

I am pleased to be involved with Handiskins and urge all Golf Clubs to be a part of this great concept. It is a fun competition that allows golfers to experience what it is like to play like the professionals. Handiskins helps to get more people playing golf and gives back to the clubs involved.

Importantly Handiskins is supporting children & families with cancer through the Challenge mascot Leuk the Duck. As an ambassador for Challenge, I am delighted that money will be raised through the Handiskins competition & the sale of Leuk the Duck merchandise, to help children & families living with cancer.

Good luck to all clubs and players involved.
